D                                A           D                                A  
Your glory fills the heavens      Your glory fills the earth

D                                A           F#m                                E  
Still You chose sur-render      You gave Yourself for me

### Verse 2

D                      A                      D                      A  
God of my sal - vation       Hope of righteous - ness

D                      A          F#m                      E  
You paid the price of freedom       You took a lonely cross

*Pre-Chorus*

(I'll) bless the Lord al-ways bless Your ho - ly Name  
F#m (To Pre-Chorus)

*Chorus*

E F#m D A  
 And You saw me when You took a crown of thorns  
 E F#m D  
 And Your blood washed over me  
 E F#m D A  
 And You loved me through the nails that You bore  
 E F#m D  
 And Your blood washes over me

*Verse 3*

D                          A                          D                          A  
Amazing like no other grace without an end

D                          A                          F#m                          E  
As Your word had promised You died and rose a-gain
