

'CHRISTOLOGY'
Part 2 'His Work'
(His labor of love – our salvation)

From the Study of This Session Discuss:

1. *How hopelessly separated from God are we before trusting Jesus?*
2. *How totally 'dead in sin' we are prior to conversion by the gospel?*
3. *The Bible teaches that prior to salvation we are 'totally depraved' in regard to spiritual truth and life (Ephesians 2:1-3, 4:17-19).*
 - *Do you agree or disagree? (Explain)*
4. *Did you know that you were a 'slave to sin' before trusting Christ as Savior and Lord?*
5. *How much about Christ's voluntary, sacrificial death on the cross for our sin does one need to understand to be saved?*
 - *How much did you understand?*
 - *If not saved, do you know enough to receive Jesus Christ as Savior?*
6. *Does learning more about what Christ has done for you in saving you from sin, judgment, hell and the lake of fire make salvation more precious to you?*
 - *How does knowing more make you feel about God and Jesus and your daily relationship to the Lord?*
7. *How does understanding God's hatred of sin and His love for you change the way you feel about sin, those not yet 'born again' by faith in Christ and this world system at enmity with Him and the gospel?*
