

“FUNDAMENTALS of the FAITH”
Evangelism & the Believer

“...follow Me and I will make you fishers of men” / Christ Jesus

- How does sharing your faith and the gospel with others relate to your spiritual growth?

- Why do you think so many professing Christians rarely, if ever, share the gospel?

- What are different ways that we can tell others about their need of Jesus as Savior?

- How can *looking for opportunities to witness* as you go about your day make life more adventurous and fulfilling?

- Do you have your *testimony* clear and ready to present in a 3 to 5 minute way?
 - Share in your group the three parts to a good testimony
 - *Role play giving your testimony – someone in the group be the ‘witness’ and another be someone who has agreed to listen*
 - *Afterward discuss how to do this in a real situation at work, school, or in the community*

- Talk about a strategy for reaching people in your neighborhood, some upcoming public event, beach and park evangelism, etc. as a group or team this summer.
 - *What, where, when; resources needed, etc.*
